

# Enjoy the Peace of Mind of Proactive Identity Theft Protection

Identity theft is one of the fastest growing crimes in America. It can cost thousands of dollars in losses, not to mention the time and frustration of trying to clear up the mess. So it pays to guarantee your good name before an incident occurs. LifeLock provides proactive identity theft protection. For just a few dollars a month, you can protect you and your loved ones. It's easy to sign up and it's even easier to relax, knowing LifeLock is looking out for you.

## What You Get

- Credit placed under your control.
- Protection backed by a \$1 million guarantee.
- Pre-approved credit offers drastically reduced.
- Junk mail drastically reduced.

## Guarantee Your Good Name

By now you've heard the stories about Americans whose identities have been stolen. They're not pretty...people working for hundreds of hours over many years to get their lives back in order, kids not getting student loans because someone has already ruined their credit, people losing homes because thieves placed mortgages they never knew existed, even innocent individuals ending up in jail.

Enroll with LifeLock today and receive **10%**.

For more information or to enroll visit **LIFELOCK.COM** or call **877 LIFELOCK (543-3562)**.

When asked for your promotional code enter **TPIG**.
